INDENT FOR SAVIN DUST

*Q.—382. SRI K. P. GADAG (Gadag).—

Will the Government be pleased to state:—

(a) whether it is a fact that the Agricultural Department used as an experiment last year Savin dust to destroy Boll worms and insects that suck the leaves of the Laxmi Cotton plant;

(b) whether it has come to the notice of the Agricultural Department that there is much demand from Laxmi cotton growers for savin dust as it was found last year very useful to destroy boll worms and insects;

(c) whether it is a fact that in Dharwar District Savin was not indented in time by the concerned officers in spite of there being much demand from Laxmi Cotton growers?

A.—SRI H. C. BORAIAH (Parliamentary Secretary to Minister for Agriculture).—

(a) Yes.
(b) Yes.
(c) Indents were placed but supplies were not available.

MYSORE-MAHARASHTRA BOUNDARY ADJUSTMENT.
